**FROM:** William P. Murphy   
**SUBJECT:** Permission to Operate: Olivet University (California)  
**DATE:** December 3, 2020  
**AUTHORIZATION(S):**  

**SUMMARY**

**Issue for Decision (Consent)**

Should the Board of Regents approve a short-term renewal of permission to operate until June 30, 2021 to Olivet University (Olivet) thus permitting the Department the necessary time to complete the full review of the institution's renewal application?

**Reason(s) for Consideration**

Required by State statute and State regulation.

**Proposed Handling**

This question will come before the Full Board at its December 2020 meeting, where it will be voted on and action taken.

**Procedural History**

Pursuant to §3.56 of the Rules of the Board of Regents, Olivet University (California) submitted an application seeking permission to continue to operate in New York City and Dover, NY. The Department needs additional time to complete its review of this application.

**Background Information**

Olivet University is a private Christian institution in the Presbyterian tradition, principally authorized in California by the Bureau of Private Postsecondary Education. Olivet has applied to the Board of Regents for permission to operate in New York State.

In November 2012, the Board of Regents, pursuant to §3.56 of the Regents Rules, granted Olivet permission to operate in New York State and to offer seven courses from its M.B.A. program at Six Barclay Street in New York City, for a period of three years.

In October 2015, the Board of Regents renewed Olivet's permission to offer the seven courses from its M.B.A. program at its New York City location. In addition, the Board of Regents granted permission to Olivet to offer seven courses from its M.Div. program at its location in New York City, and separately, at a location in Dover, NY.

In October 2020, the Board of Regents granted a short-term renewal of Olivet's permission to operate while the Department continues to review the institution's renewal application. The Department needs additional time to complete its review.
