

TO: The Honorable the Members of the Board of Regents
FROM: Daniel Morton-Bentley 
SUBJECT: Proposed Amendments to Sections 52.21, 79-8.5, 100.5, and 154-2.3 of the Regulations of the Commissioner of Education Relating to Addressing the COVID-19 Crisis and the Reopening of Schools

DATE: December 3, 2020

AUTHORIZATION(S):  
SUMMARY

Issue for Decision (Consent)

Should the Board of Regents adopt the proposed amendments to Sections 52.21, 79-8.5, 100.5, and 154-2.3 of the Regulations of the Commissioner of Education relating to addressing the COVID-19 crisis and the reopening of schools?

Reason for Consideration

Review of Policy.

Proposed Handling

The proposed amendment will be presented to the Full Board for adoption as a permanent rule at its December 2020 meeting. A copy of the proposed rule is attached.

Procedural History

The proposed amendment was presented to the Board of Regents for adoption as an emergency rule at its September 2020 meeting, effective September 15, 2020. A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on September 30, 2020. Because the September emergency rule was set to expire on December 13, 2020, it was necessary to take a second emergency action at the November 2020 Regents meeting, effective December 14, 2020, to ensure that the emergency rule remained continuously in effect until it could be permanently adopted at the December 2020 Regents meeting.

Following the 60-day public comment period required under the State Administrative Procedure Act the Department received no comments on the proposed amendment. Supporting materials are available upon request from the Secretary to the Board of Regents.

Background Information

Generally

On January 30, 2020, the World Health Organization designated the novel coronavirus, COVID-19, outbreak as a Public Health Emergency of International Concern. On March 7, 2020, the Governor of New York State declared a State disaster emergency for the entire State of New York pursuant to Executive Order 202. Subsequently, the Governor issued additional Executive Orders in response to the COVID-19 crisis, including orders directing the closure of schools for the remainder of the 2019-2020 school year and 2020 summer school except for extended school year (ESY) services. In response, the Department adopted emergency regulations at the April, May, June, and July 2020 Board of Regents meetings to address numerous issues resulting from the interruptions caused by the COVID-19 crisis. The Governor of New York announced that schools across the State are permitted to open in the fall and required all school districts to submit reopening plans to the Department and the Department of Health. Therefore, to address additional issues resulting from the interruptions caused by the COVID-19 crisis, and to plan for the reopening of schools, the Department is proposing further emergency regulatory amendments as follows:

- Professions
 - Section 79-8.5 of the Commissioner's regulations is amended to permit the Department, in its discretion, to renew limited permits for medical physics for additional two-year periods beyond the current limit of no more than six years total, for good cause shown, as determined by the Department (Attachment A #1).
- Higher Education
 - Section 52.21 of the Commissioner's regulations is amended to provide additional time for institutions of higher education to complete the process for accreditation of their educator preparation programs from the time they notify the Department that they are seeking accreditation from a professional education accrediting association acceptable to the Department that is seeking recognition from the Council for Higher Education Accreditation or the United States Department of Education. Such institutions would now have six years, instead of five, to complete the accreditation process (Attachment A #'s 2 and 3).
- Bilingual Education
 - Seal of Biliteracy:
 - Section 100.5(h)(4)(a) of the Commissioner's regulations is amended to provide that students who were unable to take applicable Regents exams due to COVID-19 related cancellation will satisfy criteria for the New York State Seal of Biliteracy (NYSSB) that would have been met by the required June 2020 or August 2020 Regents exam(s), provided that such students

have been exempted from the applicable Regents examinations in accordance with section 100.5(a)(5)(iv) of the Commissioner's regulations.

- Additionally, such section is amended to provide that English Language Learners (ELLs) will satisfy criteria for the NYSSB that would have been met by a 2020 NYS English as a Second Language Achievement Test (NYSESLAT) score through a combination of having achieved an English language proficiency level of Transitioning or Expanding on the 2019 NYSESLAT or NYS Identification Test for ELLs (NYSITELL) and having earned credit in a course of study for English as a New Language or Bilingual Education in the 2019-2020 school year. This change provides parity for students who would otherwise be disadvantaged to earn the NYSSB due to the cancellation of the 2020 NYSESLAT.
 - Finally, such section is amended to update the NYSSB's NYSESLAT score requirement. Prior to the 2015-2016 school year, the method of determining a student's English language proficiency level was based on separate proficiency levels for each of the four language modalities (speaking, listening, reading, and writing). Beginning with the 2016 administration of the NYSESLAT, the method for determining a student's English language proficiency level was changed to be based on a single scale score reflecting English language proficiency overall. The proposed new language will reflect this updated score reporting by allowing students to apply a NYSESLAT scale score of 290 towards the NYSSB. The Department has determined this score to be equivalent to the previous requirement of achieving the commanding proficiency level in two separate modalities (Attachment A #4).
- English Language Learner (ELL) identification:
 - Section 154-2.3(a) of the Commissioner's regulations is amended to provide that, for the 2020-2021 school year, any parent of a student who attends a school which is operating fully remotely or has opted to have their child receive instruction fully remotely in accordance with the district's reopening plan, and whose child has been provisionally identified as an English Language Learner (ELL) via remote identification, may submit a waiver of the administration of the English language proficiency identification assessment (Attachment A #5).
