

TO: Professional Practice Committee
FROM: Sarah S. Benson *Sarah S. Benson*
SUBJECT: Update on Clinical Clerkships and the Standards and Process for the Approval of International Medical Schools to Place Students in Long-Term Clinical Clerkships in New York State
DATE: December 2, 2021

AUTHORIZATION(S):

SUMMARY

Issue for Decision

Department staff will provide an update on clinical clerkships and the standards and process for the approval of international medical schools to place students in long-term clinical clerkships in New York State.

Reason for Consideration

For informational purposes.

Proposed Handling

This item will be presented to the Professional Practice Committee for discussion at the December 2021 meeting of the Board of Regents.

Procedural History

Not applicable.

Background Information

Sections 60.2 and 60.10 of the Commissioner's Regulations define clinical clerkships for medical education in New York State, and further specify the qualifications for long-term clinical clerkships. These regulations also specify, among other things, which students may participate in clinical clerkships, which international medical school students may participate in clinical clerkships, the role of the Advisory

Committee on Long-Term Clinical Clerkships, and the standards and process for the approval of international medical schools to place students in long-term clinical clerkships in this State.

Staff will provide a general update on and overview on the Office of Professions activities in relation to the regulation of such clinical clerkships in New York State.
