FROM: Daniel Morton-Bentley 

SUBJECT: Proposed Amendments to Sections 155.17(f) and 100.5(a) of the Regulations of the Commissioner of Education and Section 30-3.16 of the Rules of the Board of Regents Relating to Addressing the COVID-19 Crisis

DATE: April 1, 2021

AUTHORIZATION(S):  
SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents adopt the proposed amendments to Sections 155.17(f) and 100.5(a) of the Regulations of the Commissioner of Education and Section 30-3.16 of the Rules of the Board of Regents relating to addressing the COVID-19 crisis?

Reason for Consideration

Review of Policy.

Proposed Handling

The proposed amendment is being presented to the Full Board for adoption as a permanent rule at its April 2021 meeting. A copy of the proposed rule is included as Attachment A. Supporting materials are available upon request from the Secretary to the Board of Regents.

Procedural History

The proposed amendment was presented to the Board of Regents for adoption as an emergency rule at its December 2020 meeting, effective December 15, 2020. A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on December 30, 2020. Because the December 2020 emergency rule was set to expire on March 14, 2021, it was necessary to adopt a second emergency action at the February 2021 Regents meeting, effective March 15, 2021, to ensure that the emergency rule remained continuously in effect until it could be permanently adopted at the April 2021

Regents meeting. A Notice of Emergency Adoption was published in the State Register on March 31, 2021.

Following the 60-day public comment period required under the State Administrative Procedure Act, the Department received no comments on the proposed amendment. Therefore, an Assessment of Public Comment is not included and no changes to the proposed amendment are needed.

Background Information

Generally

On January 30, 2020, the World Health Organization designated the novel coronavirus, COVID-19, outbreak as a Public Health Emergency of International Concern. On March 7, 2020, the Governor of New York State declared a State disaster emergency for the entire State of New York pursuant to Executive Order 202. Subsequently, the Governor issued additional Executive Orders in response to the COVID-19 crisis, including orders directing the closure of schools for the remainder of the 2019-2020 school year and 2020 summer school except for extended school year (ESY) services. The Governor of New York announced that schools across the State were permitted to open in the fall and required all school districts to submit reopening plans to the Department and the Department of Health. In response, the Department adopted emergency regulations to address numerous issues resulting from the interruptions caused by the COVID-19 crisis and to plan for the reopening of schools. To address additional issues resulting from the interruptions caused by the COVID-19 crisis, the Department is proposing further emergency regulatory amendments as follows:

- APPR Variances
 - To provide flexibility for Annual Professional Performance Review (APPR) variance application timeframes, the Department is proposing to amend section 30-3.16 of the Rules of the Board of Regents to provide that upon a finding by the Commissioner of extraordinary circumstances, variance applications approved after December 1 of a school year may be implemented in that school year (Attachment A #1).
- Snow Day Reporting
 - Section 155.17(f) of the Commissioner's regulations requires superintendents to notify the Commissioner as soon as possible whenever a school's emergency plan or building-level school safety plan is activated that results in the closing of a school building in the district, and to provide any information the Commissioner requires. However, this section provides that such information need not be provided for routine snow emergency days. Due to the COVID-19 crisis, the State has shifted to allowing and/or requiring remote instruction by many districts. In light of this, the Department is offering a one-year pilot program to allow school districts to shift to remote instruction for days that a district would have otherwise closed due to a snow emergency. The notification of these remote instruction snow days is

necessary for the Department to review and evaluate the snow day pilot program for possible future extension (Attachment A #2).

- Declination
 - At the September 2020 meeting of the Board of Regents, the Department permanently adopted amendments to section 100.5(a)(5) of the Commissioner's regulations to provide that parents and persons in parental relation of students scheduled to graduate in January, June, or August of 2020 who were exempted from a graduation assessment requirement be given the opportunity to decline such exemption. With the cancelation of the January 2021 Regents examination, the Department is proposing to amend this provision to also provide parents and persons in parental relation of students scheduled to graduate in January, June, or August of 2021 who have been exempted from a graduation assessment requirement the opportunity to decline such exemption. Additionally, the proposed amendments extend the time period required by schools to give parents or persons in parental relation notification of the option to decline such exemption from 10 calendar days to 30 calendar days (Attachment A # 3).
