SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents adopt the proposed amendment to section 80-1.5 of the Regulations of the Commissioner of Education relating to extending the edTPA safety net in response to the COVID-19 crisis?

Reason(s) for Consideration

Review of Policy.

Proposed Handling

The proposed amendment is submitted to the Full Board as an emergency rule at its June 2021 meeting. A copy of the proposed rule is included as Attachment A, and a Statement of Facts and Circumstances which necessitate emergency action is included as Attachment B.

Procedural History

The proposed amendment was presented to the Higher Education Committee for recommendation to the Full Board for adoption as an emergency rule at its April 2021 meeting, effective April 13, 2021. A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on April 28, 2021 for a 60-day public comment period. Because the April emergency action will expire on July 11, 2021 a second emergency action is necessary to ensure the emergency rule remains continuously in effect until it can be permanently adopted at the September 2021 Regents meeting. Supporting materials are available upon request from the Secretary to the Board of Regents.

Background Information

On January 30, 2020, the World Health Organization designated the novel coronavirus, COVID-19, outbreak as a Public Health Emergency of International Concern. On March 7, 2020, the Governor of New York State declared a State disaster emergency for the entire State of New York pursuant to Executive Order 202. In response, the Department presented, and the Board of Regents voted to adopt, numerous emergency regulations to address issues resulting from interruptions caused by the COVID-19 crisis and to provide regulatory flexibility during the crisis.

At its February 2021 meeting, the Board of Regents permanently adopted amendments creating an edTPA safety net for candidates who: (i) complete a student teaching or similar clinical experience during the spring or summer 2020 terms while enrolled in a New York State registered teacher preparation program and could not complete their teacher performance assessment as a result of the COVID-19 crisis, as determined by the Dean or their designee overseeing the candidates' program; (ii) complete a student teaching or similar clinical experience during the 2020-2021 academic year while enrolled in a New York State registered teacher preparation program; (iii) complete a student teaching experience during the 2020-2021 academic year while enrolled in a comparable out-of-state teacher preparation program; or (iv) complete the teaching experience requirement for certification through the Individual Evaluation pathway during the 2020-2021 academic year, holding those harmless who cannot complete the edTPA as a result of the COVID-19 crisis. These candidates are able to take and pass either the Assessment of Teaching Skills-Written (ATS-W) or edTPA to satisfy the teacher performance assessment requirement for certification. Eligible candidates who choose to take the edTPA, but do not pass it, could take and pass the ATS-W or pursue the edTPA Multiple Measures Review Process (MMRP), if they qualify.

To provide additional flexibility related to the teacher performance assessment requirement, the Department is proposing to extend the edTPA safety net to candidates who complete a student teaching or similar clinical experience during the 2021-2022 academic year while enrolled in a New York State registered teacher preparation program or a comparable out-of-state teacher preparation program, or complete the teaching experience requirement for certification through the Individual Evaluation pathway during the 2021-2022 academic year. During the 2021-2022 academic year, candidates who are in the last year of their teacher preparation program will likely not have a typical student teaching experience as schools respond to the effects of the COVID-19 crisis, which may adversely impact their ability to complete the edTPA.

Recommendation

It is recommended that the Board of Regents take the following action:

VOTED: That section 80-1.5 of the Regulations of the Commissioner of Education be amended, as submitted, as an emergency measure, effective July 12, 2021, upon a finding by the Board of Regents that such action is necessary for the preservation of public health and the general welfare in order to immediately provide additional flexibility related to the teacher performance assessment requirement in response to the COVID-19 crisis and to ensure the emergency action taken at the April 2021 Regents meeting remains continuously in effect.

Timetable for Implementation

If adopted as an emergency measure at the June 2021 Regents meeting, the proposed amendments will become effective as an emergency rule on July 12, 2021. It is anticipated that the proposed amendments will be presented for permanent adoption at the September 2021 Regents meeting, after publication of the proposed amendment in the State Register and expiration of the 60-day public comment period required under the State Administrative Procedure Act. If adopted at the September 2021 Regents meeting, the proposed rule will become effective on September 29, 2021. Because the emergency adoption will expire before the September 2021 Regents meeting, it is anticipated that an additional emergency action will be presented for adoption at the July 2021 Regents meeting.

Attachment A

AMENDMENT TO THE REGULATIONS OF THE COMMISSIONER OF EDUCATION

Pursuant to sections 101, 207, 210, 215, 3001, 3004, and 3009 of the Education Law.

1. Subparagraph (ii) of paragraph (1) of subdivision (c) of section 80-1.5 of the Regulations of the Commissioner of Education shall be amended to read as follows:

(ii) A candidate who: (i) completes a student teaching or similar clinical experience during the spring 2020 or summer 2020 terms while enrolled in a program registered pursuant to section 52.21 of this Title and could not complete their teacher performance assessment as a result of the COVID-19 crisis, as determined by the dean or his/her designee overseeing the candidate's program; (ii) completes a student teaching or similar clinical experience during the 2020-2021 or 2021-2022 academic [year] years while enrolled in a program registered pursuant to section 52.21 of this Title; (iii) completes a student teaching experience during the 2020-2021 or 2021-2022 academic [year] years while enrolled in a substantially equivalent teacher education program at a regionally accredited institution of higher education, or a higher education institution that the commissioner deems substantially equivalent, from another state or territory of the United States or the District of Columbia that leads to certification in the title and type of certificate sought in the jurisdiction where the higher education institution is located; or (iv) completes the teaching experience requirement for certification through the individual evaluation pathway during the 2020-2021 or 2021-2022 academic [year] years, may either:

(a) take and receive a satisfactory level of performance on the teacher performance assessment;

(b) take the written assessment of teaching skills by September 1, ~~2023~~2024 and receive a satisfactory score on such assessment; or

(c) for a candidate who takes and fails to achieve a satisfactory level of performance on the teacher performance assessment, may, in lieu of retaking such assessment:

(1) take the written assessment of teaching skills by September 1, ~~2023~~2024 and receive a satisfactory score on the written assessment of teaching skills after receipt of his/her score on the teacher performance assessment; or

(2) apply for a waiver of the edTPA requirement through the multiple-measures review process pursuant to subdivision (d) of this section, if he/she meets the eligibility requirements.

STATEMENT OF FACTS AND CIRCUMSTANCES WHICH
NECESSITATE EMERGENCY ACTION

On January 30, 2020, the World Health Organization designated the novel coronavirus, COVID-19, outbreak as a Public Health Emergency of International Concern. On March 7, 2020, the Governor of New York State declared a State disaster emergency for the entire State of New York pursuant to Executive Order 202. In response, the Department presented, and the Board of Regents adopted, numerous emergency regulations to address issues resulting from interruptions caused by the COVID-19 crisis and to provide regulatory flexibility during the crisis.

At its February 2021 meeting, the Board of Regents permanently adopted amendments creating an edTPA safety net for candidates who: (i) complete a student teaching or similar clinical experience during the spring or summer 2020 terms while enrolled in a New York State registered teacher preparation program and could not complete their teacher performance assessment as a result of the COVID-19 crisis, as determined by the Dean or their designee overseeing the candidates' program; (ii) complete a student teaching or similar clinical experience during the 2020-2021 academic year while enrolled in a New York State registered teacher preparation program; (iii) complete a student teaching experience during the 2020-2021 academic year while enrolled in a comparable out-of-state teacher preparation program; or (iv) complete the teaching experience requirement for certification through the Individual Evaluation pathway during the 2020-2021 academic year, holding those harmless who cannot complete the edTPA as a result of the COVID-19 crisis. These candidates are

able to take and pass either the Assessment of Teaching Skills-Written (ATS-W) or edTPA to satisfy the teacher performance assessment requirement for certification. Eligible candidates who choose to take the edTPA, but do not pass it, could take and pass the ATS-W or pursue the edTPA Multiple Measures Review Process (MMRP), if they qualify.

To provide additional flexibility related to the teacher performance assessment requirement, the Department is proposing to extend the edTPA safety net to candidates who complete a student teaching or similar clinical experience during the 2021-2022 academic year while enrolled in a New York State registered teacher preparation program or a comparable out-of-state teacher preparation program, or complete the teaching experience requirement for certification through the Individual Evaluation pathway during the 2021-2022 academic year. During the 2021-2022 academic year, candidates who are in the last year of their teacher preparation program will likely not have a typical student teaching experience as schools respond to the effects of the COVID-19 crisis, which may adversely impact their ability to complete the edTPA.

The proposed amendment was presented to the Higher Education Committee for recommendation to the Full Board for adoption as an emergency action at the April 2021 meeting of the Board of Regents. Because the Board of Regents meets at scheduled intervals, the earliest the proposed amendments could be presented for regular (nonemergency) adoption, after publication in the State Register and expiration of the 60-day public comment period required in sections 201(1) and (5) of the State Administrative Procedure Act (SAPA) is the September 2021 Regents meeting. Furthermore, pursuant to SAPA 203(1), the earliest effective date of the proposed rule,

if adopted at the September 2021 Regents meeting, would be September 29, 2021, the date the Notice of Adoption would be published in the State Register. However, the April emergency rule will expire on July 11, 2021.

Therefore, a second emergency action is necessary at the June 2021 meeting, effective July 12, 2021 for the preservation of the public health and general welfare in order to immediately provide additional flexibility related to the teacher performance assessment requirement in response to the COVID-19 crisis and to ensure the emergency action taken at the April meeting remains in effect until the rule can be permanently adopted.

It is anticipated that the proposed rule will be presented for adoption as a permanent rule at the September 2021 Regents meeting, which is the first scheduled meeting after the 60-day public comment period prescribed in SAPA for State agency rule making. Because the emergency action will expire before the September 2021 Regents meeting, it is anticipated that an additional emergency action will be presented for adoption at the July 2021 Regents meeting.
