### **Reason for Consideration**

Review of Policy.

### **Proposed Handling**

The proposed amendment will be presented to the Full Board for adoption as an emergency rule at the July 2020 meeting of the Board of Regents. A copy of the proposed rule is included as Attachment A, and a Statement of Facts and Circumstances which necessitate emergency action is included as Attachment B.

### **Procedural History**

The proposed amendment was presented to the Full Board for adoption as an emergency rule at its June 2020 meeting, effective June 9, 2020. A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on June 24,

2020. To date the Department has not received any comments on the proposed rule. Because the June emergency action will expire on September 6, 2020 a second emergency action is necessary to ensure that the rule remains continuously in effect until it can be permanently adopted at the September 2020 Regents meeting and take effect as a permanent rule. Supporting materials are available upon request from the Secretary to the Board of Regents.

STATEMENT OF FACTS AND CIRCUMSTANCE WHICH NECESSITATE  
EMERGENCY ACTION

On January 30, 2020, the World Health Organization designated the novel coronavirus, COVID-19, outbreak as a Public Health Emergency of International Concern. On March 7, 2020 the Governor of New York State declared a State disaster emergency for the entire State of New York pursuant to Executive Order 202. Subsequently, the Governor issued additional Executive Orders in response to the COVID-19 crisis including orders directing the closure of schools for the remainder of the school year and summer school and directing non-essential work personnel to work from home. In response the Department adopted emergency regulations at the April, May, and June 2020 Board of Regents Meeting to address numerous issues resulting from the interruptions caused by the COVID-19 crisis. The Department presented this proposed amendment to the Full Board for adoption as an emergency action at the June 2020 Regents meeting, effective June 9, 2020. The proposed amendments provide flexibility related to the following:

- Adoption and publishing of data security and privacy policy deadline by educational agencies;
- Home instruction program unit of study requirements and instructional day and hour requirements;
- Live patient experience for dental anesthesia certification;
- Administration and proctoring of the Ability-to-Benefit Test;
- Certificate expiration dates
- Teaching assistant experience;
- Coaching evaluations;

- Sub-test requirement for the High School Equivalency Diploma;
- Hands only CPR instruction;
- Regents exams requirement for online blended learning and make up incomplete or failed course credit;
- Declination of exemption to graduation assessment requirements;
- Summer school instructional hours; and
- Charter school public hearings.

Because the Board of Regents meets at scheduled intervals, the earliest the proposed amendment could be presented for regular (nonemergency) adoption, after publication in the State Register and expiration of the 60-day public comment period required in the State Administrative Procedure Act (SAPA) sections 201(1) and (5), is the September 2020 Regents meeting. However, because the COVID-19 crisis is presently affecting the State of New York, a second emergency action is necessary for the preservation of public health and the general welfare in order to immediately provide flexibility for certain regulatory requirements in response to the COVID-19 crisis and to ensure that the emergency action taken at the June 2020 meeting remains in effect until the proposed rule can be permanently adopted.

It is anticipated that the proposed rule will be presented for adoption as a permanent rule at the September 2020 Regents meeting, which is the first scheduled meeting after the 60-day public comment period prescribed in SAPA for State agency rule makings.
