Operational CBT

- Four supported computing devices:
 - Desktop, Laptop, Chromebook, and iPads
- More than 50 staff on-hand at Questar and more than 20 staff on-hand at NYSED to Support
- Four Questar Field Agents located at Regional Information Centers (RICs) throughout NYS to directly support schools during all CBT administrations (including the upcoming CBT field testing administration)

Operational CBT

- Six day testing window with a three day makeup period
- More than 28,000 tests administered
- More than 190 schools participated
 - 105 of these schools participated in CBT field testing last year
- Overall, it was a success for most schools

Operational CBT

Per request from the field—regarding what they needed to be ready for CBT—we released additional practice tests within the Nextera Secure Browser that included a mix of multiple choice and constructed response questions.
