NY 12234

TO: The Honorable the Members of the Board of Regents
FROM: James Baldwin
SUBJECT: Proposed Amendment of Section 52.21 of the Regulations
of the Commissioner Relating to the Graduate Level
Clinically Rich Teacher Preparation Pilot Programs
DATE: April 26, 2011
AUTHORIZATION(S):

SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents adopt the proposed amendment relating to the graduate level clinically rich teacher preparation pilot programs?

Reason(s) for Consideration

Review of policy.

Proposed Handling

The proposed regulatory amendment is submitted to the Higher Education Committee for emergency adoption at its May 2011 meeting. A statement of facts and circumstances justifying the emergency is attached.

Background Information

At its April 2010 meeting, the Board of Regents adopted a regulation, effective May 1, 2010, establishing graduate level clinically rich teacher preparation pilot programs. The regulation adopted in April 2010 provided, among other things, that completion of the pilot programs would lead to a professional Master of Arts in Teaching degree.

Some higher education institutions offering graduate teacher education programs do not have the authority to confer a Master of Arts in Teaching degree. In order to provide these institutions with flexibility to confer other appropriate degrees, the proposed amendment authorizes higher education institutions to confer one of the specialized degrees in education prescribed in section 3.50(b)(5) of the Rules of the

Board of Regents, a Master of Professional Studies degree or a Master of Arts or Master of Science degree as prescribed in section 3.50(a) of the Rules of the Board of Regents. For institutions, other than institutions of higher education, that meet the requirements in section 52.21(b)(5) of the Commissioner's regulations, the Regents will confer a Master of Arts in Teaching degree upon their candidates.

Recommendation

VOTED: That clause (d) of subparagraph (iv) of paragraph (5) of subdivision (b) of section 52.21 of the Regulations of the Commissioner of Education be amended, effective May 24, 2011 as an emergency action upon a finding by the Board of Regents that such action is necessary for the preservation of the general welfare in order to timely implement the provisions of the proposed amendment to provide program providers with notice of the degree requirements before the 2011-2012 school year.

Timetable for Implementation

If adopted at the May Regents meeting, the proposed amendment will become effective as an emergency rule on May 24, 2011.

STATEMENT OF FACTS AND CIRCUMSTANCES
WHICH NECESSITATE EMERGENCY ACTION

At its April 2010 meeting, the Board of Regents established certain eligibility requirements to participate in the clinically rich teacher preparation pilot program, including certain curriculum requirements, a clinical component, mentoring and training requirements and requirements for the conferral of degrees upon completion of the program.

The regulation adopted in April 2010 provided, among other things, that completion of the pilot programs would lead to a professional Master of Arts in Teaching degree. Some higher education institutions offering graduate teacher education programs do not have the authority to confer a Master of Arts in Teaching degree. In order to provide these institutions with flexibility to confer other appropriate degrees, the proposed amendment authorizes higher education institutions to confer one of the specialized degrees in education prescribed in section 3.50(b)(5) of the Rules of the Board of Regents, a Master of Professional Studies degree or a Master of Arts or Master of Science degree as prescribed in section 3.50(a) of the Rules of the Board of Regents. For institutions, other than institutions of higher education, that meet the requirements in section 52.21(b)(5) of the Commissioner's regulations, the Regents will confer a Master of Arts in Teaching degree upon their candidates.

Emergency action is necessary at the May Board of Regents meeting in order to ensure that the rule remains continuously in effect until it can be permanently adopted at the June Regents meeting.
