## Background

The proposed amendments to Part 76 of the Regulations of the Commissioner of Education implement the provisions of Chapter 460 of the Laws of 2011 relating to the profession of occupational therapy. Chapter 460, which becomes effective on February 13, 2012, amended the Education Law to modify the scope of practice of occupational therapists, change the composition of the State Board for Occupational Therapy, require the direct supervision of holders of limited permits in occupational therapy, and authorize occupational therapy assistant students to provide services as exempt individuals under the direct supervision of an occupational therapist. It also authorized occupational therapy assistants to provide services as exempt individuals and required the Commissioner to define occupational therapy assistants and to promulgate regulations governing their eligibility to practice.

The proposed amendment of section 76.4(b) of the Regulations of the Commissioner of Education eliminates the provision that bars a holder of a limited permit in occupational therapy from receiving a renewal in the event the holder has failed the licensing examination.

Proposed section 76.6 of the Regulations of the Commissioner defines the practice of an occupational therapy assistant (OTA). In accordance with new section 7906(7) of the Education Law, that definition requires OTAs to practice under the supervision of an occupational therapist or physician. Section 76.6 also restricts the use of the title "occupational therapy assistant" to those authorized by the Department to do so.

Proposed section 76.7 of the Regulations of the Commissioner sets forth requirements for authorization to practice as an OTA, including requirements relating to education, experience, and examination.

Finally, proposed section 76.9 of the Regulations of the Commissioner establishes the requirements for OTA students to qualify under the statutory exemption authorizing them to practice prior to licensure. That section also requires that they be supervised by an occupational therapist in accordance with standards established by a national accreditation agency acceptable to the Department.

## Recommendation

VOTED: That subdivision (b) of section 76.4 of the Regulations of the Commissioner of Education be amended; that section 76.5 of the Regulations of the Commissioner of Education be repealed and 76.7 of the Regulations of the Commissioner of Education be renumbered 76.5; and that section 76.6 of the Regulations of the Commissioner of Education be renumbered 76.8 and new sections 76.6, 76.7, and 76.9 of the Regulations of the Commissioner of Education be added, all as submitted, effective February 14, 2012, as an emergency action upon a finding by the Board of Regents that such action is necessary for the preservation of the public health and general welfare in order to implement Chapter 460 of the Laws of 2011, which becomes effective February 13, 2012, in a timely manner.

### Timetable for Implementation

If adopted as an emergency measure at the February 2012 Board of Regents meeting, the proposed amendments will become effective February 14, 2012. It is anticipated that they will then be presented for adoption on a permanent basis at the May 2012 meeting of the Board.

STATEMENT OF FACTS AND CIRCUMSTANCES WHICH NECESSITATE  
EMERGENCY ACTION

The proposed amendments to the Regulations of the Commissioner of Education are necessary to conform them to the requirements of chapter 460 of the Laws of 2011. Chapter 460 amended Article 156 of the Education Law to amend the scope of practice of occupational therapists, to provide for the supervision of limited permittees in occupational therapy, to provide for practice as exempt individuals by occupational therapy assistant students, to authorize and provide for the definition of practice of occupational therapy assistants, to provide that occupational therapist assistants shall be subject to the disciplinary and regulatory authority of the Board of Regents and the Department, and to make various technical changes to these sections of the Education Law. The proposed regulations implement the new law.

Emergency action is necessary for the preservation of the public health and general welfare to immediately conform the Commissioner's regulations to chapter 460 of the Laws of 2011, and thereby ensure that such regulations are in effect on February 14, 2011, the effective date of such law, to implement the new practice and supervision provisions consistent with statutory requirements.

It is anticipated that the proposed amendment will be presented for adoption as a permanent rule at the April 2012 Regents meeting, after publication in the State Register and expiration of the 45-day public comment period on proposed rule makings required by the State Administrative Procedure Act.
