LICENSED PRACTICAL NURSING

12-01-10

Margaret Mpirayon McPeak
Syracuse, NY 13210

(Enrolled Community Nurse College, Catholic Hospital Wamba, Wamba, Kenya, Kenya
Enrolled Community Health Nurse, 4/1995)

Petition for: Acceptance of education

Statement of Problem: Ms. McPeak did not graduate from a general nursing program either at the practical (second) level or professional nursing (first) level. The Enrolled Nurse (practical level) in Kenya requires a two-year second level general nursing program. The applicant completed a 2 1/2-year nursing program (second level) that incorporated general nursing, public health, and midwifery. Enrolled Community Health Nurses can work in any of the three fields but not at a managerial level. Staff reviewed the curriculum and found it comparable to a practical nursing program in New York State.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 64.1(b) of the Regulations of the Commissioner of Education	
(1) (a) Graduation from high school or its equivalent; <i>and</i> (b) Graduation from a program in practical nursing that is at least nine months in duration in a country outside the United States that is satisfactory to the Department and recognized by the licensing authority or appropriate governmental agency of that country as being preparation for practice as a licensed practical nurse; <i>or</i> Graduation from a general nursing course in a country outside the United States that is satisfactory to the Department and recognized by the licensing authority of that country as being preparation for practice as a professional nurse.	(1) (a) Kenya Certificate of Secondary Education 1991 (b) See Statement of Problem.
(2) Satisfactory scores on the National Council Licensure Examination.	
(3) Evidence of the required course in identification and reporting of child abuse and maltreatment.	(3) Completed

RECOMMENDATION: The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Nursing, recommends that the applicant's petition for acceptance of her nursing education be approved.
